Class Policies

The required minimum number of quizzes for a 3-unit course is 3, and 4 for 4-unit course. No part of the final exam may be considered as one quiz.

Cancellation of the lowest quiz is not allowed even if the number of quizzes exceeds the required minimum number of quizzes.

As a general policy, no special or make-up tests for missed exams other than the final examination will be given. However, a faculty member may give special exams for

approved absences (where the student concerned officially represented the University at some function or activity).

absences due to serious illness which require hospitalization, death in the family and other reasons which the faculty member deems meritorious.

If a student missed two (2) examinations, then he/she will be required to take a make up for the second missed examination.

If the student has no valid reason for missing an exam (for example, the student was not prepared to take the exam) then the student receives 0% for the missed quiz.

Students who get at least 89% in every quiz are exempted from taking the final examination. Their final grade will be based on the average of their quizzes and other prefinal course requirements. The final grade of exempted students who opt to take the final examination will be based on the prescribed computation of final grades inclusive of a final examination.
