

## Physics Department

(cf. CHED Memorandum Order No. 104)

PRCPHYS (Practicum for Physics Students) is an internship program meant to provide Physics undergraduate students with an opportunity to complement their formal learning with practical knowledge, skills, and desirable attitudes and to gain hands-on experience in recognized host training establishments.

### General Objectives

- Establish harmonious collaboration/linkages between De La Salle University (DLSU) and the Host Training Establishments (HTEs) for the effective implementation of the program to support the educational environment of the student interns; and
- Train student interns under actual workplace conditions.

### Specific Objectives

- Provide students enrolled in PRCPHYS with opportunities to apply relevant knowledge and skills acquired from formal education to actual work setting provided by reputable HTEs in our country; to the  
professionalism and work appreciation. The student interns are expected  
soft skills necessary to address the demand of the employers  
communication skills, interpersonal

## Physics Department
