APPLICATION FOR 2019 SCOPUS CITATION INCENTIVE
DLSU Competitiveness and Rankings Initiative

The University is giving financial incentives for 2019 Scopus citations as part of its five-year Competitiveness and Rankings Initiative. Full-time and part-time faculty members as well as ASFs are eligible to apply. The general guidelines are as follows:

- Ø The Scopus database will be used as basis for computing the amount of the citation incentive
- Ø The citation incentive will be based on citations incurred in calendar year 2019 of all previously published papers that are indexed Scopus
- Ø Citations of papers in which the applicant does not list DLSU as affiliation are excluded
- Ø Self-citations are excluded
- Ø For each citation, the amount of the incentive is P1,500 divided by the number of eligible DLSU-based co-authors of any given cited paper.

This form must be submitted to the Office of the Vice Chancellor for Research and Innovation no later than 30 April 2021, along with a soft copy of spreadsheet containing relevant data extracted from Scopus (www.scopus.com) via e-mail to citation.incentive@dlsu.edu.ph.
